Resolution

The board discussed in detail and framed syllabi for B.Sc & M.Sc Geography for the candidates who get admitted from 2020-21 onwards. The following changes have been effected in the existing syllabi.

B.Sc Geography

- The subject of Geology has been introduced as allied-II for B.Sc
- The existing allied-II statistics has been given as allied I replacing Cartography
- The allied Cartography has been given as core paper in Semester V
- The subject of Geography of Resources - I & II given in Semesters V and VI respectively have

been modified and clubbed into one paper and given in semester VI.

Skill based Elective-II 'Computer Applications in Geography' was replaced by World Regions - Geography.

Elective Course-III 'Urban Geography and Planning' was replaced by Settlement Geography.

M.Sc Geography

- Core paper title Applied Climatology has been changed as Advanced Climatology with syllabus modifications.

- Core paper of Remote Sensing and Elective Paper GIS & GPS have been clubbed and given as Remote Sensing, GIS & GPS as one core paper in semester-V.

- The core paper of title of 'The Principles of Thematic Cartography' has been changed as 'Advanced Cartography' with syllabus modifications in semester-II.

The title of

- the Elective paper of 'Environmental Appraisal and Management' has been changed as 'Environmental Studies' with syllabus modification.

- The elective course 'GIS & GPS: Techniques and Applications' has been replaced by ~~GIS & GPS: Techniques and Applications~~ in semester-II.

- Elective course v ' Geography of Travel and Tourism' was replaced by ' Disaster - Management in semester - V.

Many courses (papers) both in B.A. and M.Sc. have been taken from the syllabi of TANSCHC

- Apart from the above changes, contents at many places in most of the papers have been changed and modified so as to meet the present need.

The syllabi has been framed to suit the Bloom's taxonomy.
